INFORMATION CIRCULAR

This Information Circular accompanies the notice of an annual general and special meeting of shareholders (the “**Notice**”) and is furnished to shareholders holding common shares (the “**Shares**”) in the capital of **Element Lifestyle Retirement Inc.** (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting of shareholders (the “**Meeting**”) to be held at **10:00 a.m.** (Vancouver time) on **Thursday, September 15, 2016** at **1147 Homer Street, Vancouver, BC**, or at any adjournment or postponement thereof.

The date of this Information Circular is August 11, 2016. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES

Management Solicitation

The solicitation of proxies by the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining from their principals’ authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered shareholders are entitled to vote at the Meeting. A shareholder is entitled to one vote for each Share that such shareholder holds on the record date of August 11, 2016 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and officers of the Company.

A shareholder has the right to appoint a person or company (who need not be a shareholder) to attend and act for or on behalf of that shareholder at the Meeting or any adjournment or postponement thereof, other than the Designated Persons named in the enclosed form of proxy. To exercise the right, the shareholder may do so

by inserting the name of such other person in the space provided in the form of proxy. Such person should bring photo identification to the Meeting.

In order to be voted, a proxy must be received by the Company's registrar and transfer agent, Computershare Investor Services Inc. (the "**Transfer Agent**"), at their offices located at 100 University Avenue, 9th Floor, Toronto, Ontario M5J 2Y1 no later than 10:00 a.m. (Vancouver time) on September 13, 2016. Alternatively, the proxy may be delivered to the Chairman of the Meeting prior to the start of the Meeting on the day of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the shareholder who is giving it or by that shareholder's attorney-in-fact duly authorized by that shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual shareholder or joint shareholders or by an officer or attorney-in-fact for a corporate shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that shareholder or by that shareholder's attorney-in-fact authorized in writing or, where the shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at 1147 Homer Street, Vancouver, British Columbia V6B 2Y1, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

If no choice is specified in the proxy with respect to a matter to be acted upon, the proxy confers discretionary authority with respect to that matter upon the Designated Persons named in the form of proxy. It is intended that the Designated Persons will vote the Shares represented by the proxy in favour of each matter identified in the proxy.

The enclosed form of proxy confers discretionary authority upon the persons named therein in respect of amendments or variations to matters identified in the Notice or other matters that may properly come before the Meeting or any adjournment or postponement thereof. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

NOTICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is similar to the form of proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the registered shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. Beneficial Shareholders are requested to complete and return the voting instructions to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge’s dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have its Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his or her broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his or her Shares. Management of the Company does not intend to pay for intermediaries to forward to those who object to their name being made known to the issuers of securities which they own (called “**OBOs**” for Objecting Beneficial Owners) under National Instrument 54-101 — *Communications with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators the Meeting materials, and that in the case of an OBO, the OBO will not receive the Meeting materials unless the OBO’s intermediary assumes the cost of delivery.

All references to shareholders in this Information Circular are to registered shareholders, unless specifically stated otherwise.

Penalties and Sanctions

To the best of management's knowledge, no proposed director of the Company has been subject to: (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with securities regulatory authority; or (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

D. Appointment and Remuneration of Auditors

Shareholders will be asked to vote for the re-appointment of MNP LLP, Chartered Accountants, as the auditors of the Company to hold office until the next annual meeting of the Shareholders at a remuneration to be fixed by the board of directors. E. Re-Approval of Stock Option Plan

The Company's existing 10% rolling Stock Option Plan has been amended to reflect its change of name from Sonoma Resources Inc. to Element Lifestyle Retirement Inc. (the "2016 Plan"). The 2016 Plan is subject to the annual approval of the Company's shareholders and the TSX Venture Exchange (the "TSXV"), and the rules of the TSXV. EXECUTIVE COMPENSATION

Unless otherwise noted, the following information is for the Company's last completed financial year ended May 31, 2016.

"**Named Executive Officer**" or "**NEO**" means each of the following individuals:

- (a) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief executive officer, including an individual performing functions similar to a chief executive officer;

- (b) each individual who, in respect of the company, during any part of the most recently completed financial year, served as chief financial officer, including an individual performing functions similar to a chief financial officer;
- (c) in respect of the company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000, as determined in accordance with subsection 1.3(5) of Form 51-102F6V, for that financial year;
- (d) each individual who would be a named executive officer under paragraph (c) but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

Executive Compensation is required to be disclosed for the (i) Chief Executive Officer (or individual who served in a similar capacity during the most recently completed financial year), (ii) Chief Financial Officer (or individual who served in a similar capacity during the most recently completed financial year), (iii) each of the three most highly compensated executive officers (other than the Chief Executive Officer and the Chief Financial Officer) who were serving as executive officers at the end of the most recently completed fiscal year (or three most highly compensated individuals) and whose total compensation was, individually, more than \$150,000; and (iv) each individual who would meet the definition set forth in (iii) but for the fact that the individual was neither an executive officer of the company, nor acting in a similar capacity, at the end of that financial year (the "Named Executive Officers").

The Company has a Human Resources and Compensation Committee; the functions of the committee are to review and recommend the compensation of the Named Executive Officers to the Board of Directors. The final decision on the compensation of the Named Executive Officers is made by the Board of Directors in its entirety.

The compensation program of the Company is designed to attract, motivate, reward and retain knowledgeable and skilled executives required to achieve the Company's corporate objectives and increase shareholder value. The main objective of the compensation program is to recognize the contribution of the Named Executive Officers to the overall success and strategic growth of the Company. The compensation program is designed to reward management performance by aligning a component of the compensation with the Company's business performance and share value. The philosophy of the Company is to pay management a total compensation amount that is competitive with other similar companies and is consistent with the experience and responsibility level of the management. The purpose of executive compensation is to reward the executives for their contributions to the achievements of the Company on both an annual and long term basis.

Option-Based Awards

The incentive stock option portion of the compensation is designed to provide the NEOs of the Company with a long term incentive in developing the Company's business. Options granted under the Stock Option Plan are approved by the Board after consideration of the Company's overall performance.

Use of Financial Instruments

The Company does not have in place policies which restrict the ability of directors or Named Executives to purchase financial instruments, such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a director or Named Executive. Any such purchases would be subject to applicable insider reporting requirements.

DIRECTOR AND NAMED EXECUTIVE OFFICER COMPENSATION

During the financial year ended May 31, 2016, the Company had four NEOs (as described in National Instrument 51-102, *Continuous Disclosure Obligations*). Stock Option Plan

The Company's current stock option plan (the "2016 Plan") provides that the Board may, from time to time, in its discretion, grant to directors, officers, employees, consultants and other personnel of the Company and its subsidiaries or affiliates, options to purchase Shares. The 2016 Plan is a "rolling" stock option plan, whereby the aggregate number of Shares reserved for issuance, together with any other Shares reserved for issuance under any other plan or agreement of the Company, shall not exceed ten (10%) percent of the total number of issued Shares (calculated on a nondiluted basis) at the time an option is granted. As at the date hereof, there are 1,000,000 options outstanding under the 2016 Plan.

The 2016 Plan is subject to the approval of the Company's shareholders and the TSXV, and the rules of the TSXV. At the Meeting, shareholders will be asked to ratify, confirm and approve the 2016 Plan. A copy of the 2016 Plan is attached to this Information Circular as Schedule "B".

The following information is intended as a brief description of the 2016 Plan and is qualified in its entirety by the full text of the 2016 Plan, a copy of which is attached as Schedule "B" to this Information Circular.

1. The Board shall establish the exercise price at the time each Option is granted, subject to the following conditions:
 - (a) if the Shares are listed on the TSXV, the exercise price will not be less than the minimum prevailing price permitted by TSXV policies;
 - (b) if the Shares are not listed, posted and trading on any stock exchange or bulletin board, then the exercise price will be determined by the Board at the time of granting;
 - (c) if an option is granted within 90 days of a distribution by a prospectus by the Company, the exercise price will not be less than the price that is the greater of the minimum prevailing price permitted by TSXV policies and the per share price paid by public investors for Shares acquired under the distribution by the prospectus, with the 90 day period beginning on the date a final receipt is issued for the prospectus; and
 - (d) in all other cases, the exercise price shall be determined in accordance with the rules and Regulations of any applicable regulatory bodies.
2. Upon expiry of an option, or in the event an option is otherwise terminated for any reason, without having been exercised in full, the number of Shares in respect of the expired or terminated option shall again be available for a grant under the 2016 Plan.
3. No option granted under the 2016 Plan may have an expiry date exceeding ten years from the date on which the option is granted (unless automatically extended as a result of a blackout period as described below).
4. The expiry date of each option will be automatically extended if the expiry date falls within a period during which the Company prohibits optionees from exercising their options, provided that:
 - (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;

- (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
 - (c) the automatic extension will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.
5. Options granted to any one individual in any 12 month period cannot exceed more than 5% of the issued Shares, unless the Company has obtained disinterested shareholder approval.

18. Options issued to optionees performing investor relations activities will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
9. If a director, employee or consultant of the Company is terminated for cause, then any option granted to the option holder will terminate immediately upon the option holder ceasing to be a director, employee, or consultant of the Company by reason of termination for cause.
10. If an option holder ceases to be a director, employee or consultant of the Company (other than by reason of death, disability or termination of services for cause), or if an optionee resigns, as the case may be, then any option granted to the holder that had vested and was exercisable on the date of termination will expire on the earlier of the expiry date and the date that is 90 days following the date that the holder ceases to be a director, employee or service provider of the Company.
11. If the engagement of an option holder engaged in investor relations activities as a consultant is terminated for any reason other than cause, disability or death, any option granted to such holder that was exercisable and had vested on the date of termination will be exercisable until the earlier of the expiry date and the date that is 30 days after the effective date of the holder ceasing to be a consultant.
12. If an option holder dies, the holder's lawful personal representatives, heirs or executors may exercise any option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.
13. If an option holder ceases to be a director, employee or consultant of the Company as a result of a disability, the holder may exercise any option granted to the holder that had vested and was exercisable on the date of disability until the earlier of the expiry date and one year after the date of disability.
14. Options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the options vesting in any three month period.
15. The 2016 Plan will be administered by the Board who will have the full authority and sole discretion to grant options under the 2016 Plan to any eligible party, including themselves.
16. Options granted under the 2016 Plan shall not be assignable or transferable by an option holder.

17. The Board may from time to time, subject to regulatory or shareholder approval, amend or revise the terms of the 2016 Plan.

The 2016 Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

The Company contributes to a registered retirement plan for each of the Directors and NEOs. See "Table of compensation excluding compensation securities" herein. In the most recently completed financial year, the Company did not maintain any defined benefit plans, defined contribution plans or deferred compensation plans for the NEOs or the other Directors.

STATEMENT OF CORPORATE GOVERNANCE DISCLOSURE

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices, which are in the interest of its shareholders and contribute to effective and efficient decision making.

National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. The Board will continue to review and implement corporate governance guidelines as the business of the Company progresses and the Company becomes more active in operations. National Instrument 58-101 *Disclosure of Corporate Governance Practices* mandates disclosure of corporate governance practices in Form 58-101F2, which disclosure is set out below.

1. Board of Directors

The mandate of the Board is to supervise the management of the Company and to act in the best interests of the Company. The Board acts in accordance with:

- (a) the *Business Corporations Act* (British Columbia);
- (b) the Company's articles of incorporation;
- (c) other applicable laws and company policies.

The Board approves all significant decisions that affect the Company before they are implemented. The Board supervises their implementation and reviews the results.

The Board is actively involved in the Company's strategic planning process. The Board discusses and reviews all materials relating to the strategic plan with management and is responsible for reviewing and approving the strategic plan. Management must seek the Board's approval for any transaction that would have a significant impact on the strategic plan.

The Board periodically reviews the Company's business and implementation of appropriate systems to manage any associated risks, communications with investors and the financial community and the integrity of the Company's internal control and management information systems. The Board also monitors the Company's compliance with its timely disclosure obligations and reviews material disclosure documents prior to distribution. The Board annually discusses the systems of internal control with the Company's auditor.

The Board is responsible for choosing the Executive Officers and appointing senior management and for monitoring their performance and developing descriptions of the positions for the Board, including the limits on management's responsibilities and the corporate objectives to be met by the management.

The Board approves all the Company's major communications, including annual and interim reports and financing documents.

The Board, through its Audit Committee, examines the effectiveness of the Company's internal control processes and management information systems. The Board consults with the Company's auditor and management of the Company to ensure the integrity of these systems. The Company's auditor submits a report to the Audit Committee each year on the quality of the Company's internal control processes and management information systems.

The Board is responsible for determining whether or not each director is an independent director. Directors who also act as officers of the Company are not considered independent. Directors who do not also act as officers of the Company, do not work in the day-to-day operations of the Company, are not party to any material contracts with the Company, or receive any fees from the Company, are considered independent. Don Ho, Michael Diao and Candy Ho are not independent directors by virtue of their positions as President, Chief Executive Officer and Vice-President, Marketing & Corporate Relations and Corporate Secretary of the Company, respectively. See "Named Executive Officer and Director Compensation" herein.

1. *Independence*

Section 1.4 of National Instrument 52-110 – *Audit Committees ("NI 52-110")* sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, four of the seven members of the current Board are independent. The members who are independent are Stanley Kwok, Douglas Howard, John Gilbert and Adrian Chan, as they have no direct or indirect material relationship with the Company.

Don Ho, Michael Diao and Candy Ho are not independent by virtue of the fact that they hold the positions of President, Chief Executive Officer and Vice-President Marketing & Corporate Relations and Corporate Secretary of the Company respectively.

2. *Directorships*

The following table sets forth information for each director of the Company who is, or within the five years prior to the date of this Information Circular, has been a director or officer of any other reporting issuer:

Name of Director	Name and Jurisdiction of Reporting Issuer	Name of Trading Market	Position From and To
Don Ho	Bullman Minerals Inc. British Columbia, Canada	TSXV	Director, Nov 2010 to Dec. 31, 2015
Stanley Kwok	Husky Energy Inc. Alberta, Canada	TSX	Director, Aug. 2000 to present.
	CK Hutchinson Limited A limited liability Cayman Islands company registered and listed in Hong Kong	Stock Exchange of Hong Kong	Independent Non-executive director, Jan. 2015 to present
Robert Kang	ME Resources Corp., British Columbia, Canada	CSE/OTC	Director, Oct. 2015 to present.

3. *Orientation and Continuing Education*

The Company's Board of Directors will brief new directors with the policies of the Board of Directors, and other relevant corporate and business information. New directors will be provided with copies of previous board minutes and key documents. New directors will be encouraged to ask questions to clarify any issues that they may have with respect to their roles and responsibilities as a director.

Directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at the Board meetings. Directors are also provided the opportunity to meet with senior management and other employees, advisors and directors, who can answer any questions that may arise.

4. *Ethical Business Conduct*

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the applicable corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and to exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and to disclose to the Board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of his interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

5. *Nomination of Directors*

The Board is responsible for identifying individuals qualified to become new Board members and recommending to the Board director nominees for the next annual meeting of shareholders. There currently is not a formal procedure with respect to the nomination of directors. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members.

New nominees must have a track record in general business management, special expertise in an area of strategic interest to the Company, the ability to devote the time required, shown support for the Company's mission and strategic objectives, and a willingness to serve.

6. *Compensation*

The Board conducts reviews with regard to directors' compensation once a year. To make its recommendation on directors' compensation, the Board takes into account the types of compensation and the amounts paid to directors of comparable publicly traded Canadian companies and aligns the interests of directors with the return to shareholders.

The Board decides the compensation of the Company's officers, based on industry standards and the Company's financial situation.

7. *Committees*

Human Resources and Compensation Committee

Composition of the Human Resources and Compensation Committee

During the financial year ended May 31, 2016, the Company's Human Resources and Compensation Committee (the "HR&C Committee") was comprised of three directors: Adrian Chan, Douglas Howard and John Gilbert. None of the members of the HR&C Committee are officers or employees of the Company.

The HR&C Committee has not yet adopted a formal written charter to provide its members with guidelines to fulfill its responsibilities. The main duties of the HR&C Committee include:

- reviewing the compensation and benefits of the directors and executive officers;
- reviewing and recommending the compensation of the CEO, and other senior management;
- reviewing and recommending, subject to Board approval, stock option allocations to employees and management;
- reviewing and authorizing public disclosure of executive compensation;
- approving any special compensation arrangements;
- reviewing compensation practices annually or as required; and

Finance and Audit Committee

Pursuant to the provisions of NI 52-110, the Company is required to have an Audit Committee comprised of at least three directors, the majority of whom must be independent. The Company must also have a written Audit Committee Charter which sets out the duties and responsibilities of its Finance and Audit Committee. A copy of the Company's Finance and Audit Committee Charter is attached as Schedule "A" herein.

Composition of the Finance and Audit Committee

A member of the Finance and Audit Committee is independent if the member has no direct or indirect material relationship with the Company. A material relationship means a relationship which could, in the view of the Company's Board of Directors, reasonably interfere with the exercise of a member's independent judgment.

During the fiscal year ended May 31, 2016 the members of the Finance and Audit Committee were Don H.C. Ho, Douglas Howard and Adrian Chan. Messrs. Howard and Chan are independent members of the Finance and Audit Committee. Mr. Ho is not independent by virtue of his position as the President of the Company. All members of the current Finance and Audit Committee are "financially literate" as that term is defined in NI 52-110.

Messrs. Howard and Chan are not standing for re-election as directors at the Meeting. It is proposed that the members of the Finance and Audit Committee for the ensuing year will be John Gilbert, Stanley Kwok and Michael Diao. Messrs. Gilbert and Kwok are independent directors of the Finance and Audit Committee. Mr. Diao is not independent by virtue of his position as the Chief Executive Officer of the Company. Each of the proposed members of the Finance and Audit Committee is financially literate within the meaning of Section 1.5 of NI 52-110 in that he has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

The number of Optioned Shares granted under the Plan cannot exceed the number of Plan Shares.

3.3 **Eligibility.** Options to purchase Common Shares may be granted hereunder to Eligible Persons from time to time by the Board. If and when the Company’s shares are listed on the TSXV, Eligible Persons that are corporate entities will be required to agree in writing not to effect or permit any transfer of ownership or option of any of its shares, nor issue more of its shares to any other individual or entity as long as such Options remain outstanding, unless the written permission of the TSXV and the Company is obtained. The

Company represents that Eligible Persons who are granted Options will be bona fide Directors, Employees or Consultants of the Company or a subsidiary of the Company at the time of grant of such Options.

- 3.4 Options Granted Under the Plan. All Options granted under the Plan will be evidenced by an Option Agreement in substantially the form attached hereto as Schedule "A" (or such other form determined by the Board) in the case of Optionees not engaged in Investor Relations Activities or Schedule "B" (or such other form determined by the Board) in the case of Optionees engaged in Investor Relations Activities, as applicable, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.

 - (b) Optionees Performing Investor Relations Activities. The aggregate number of Options granted to Eligible Persons engaged to provide Investor Relations Activities in a 12-month period must not exceed 2% of the issued Common Shares of the Company (determined as at the Grant Date) without the prior consent of TSXV.
 - (c) Consultants. The aggregate number of Options granted to any one Consultant in a 12-month period must not exceed 2% of the issued Common Shares of the Company (determined as at the Grant Date) without the prior consent of TSXV.
- 3.7 Options Not Exercised. In the event an Option granted under the Plan expires unexercised, is terminated or is otherwise lawfully cancelled prior to exercise of the Option, the Optioned Shares that were issuable thereunder will be returned to the Plan and will be available again for an Option grant under this Plan.
- 3.8 Acceleration of Unvested Options. If there is a Change of Control, then, subject to the prior written approval of the TSXV, all outstanding Options, whether fully vested and exercisable or remaining subject to vesting provisions or other limitations on exercise, shall be exercisable in full to enable the Optioned Shares subject to such Options to be issued and tendered to such bid.

 - (b) grant Options hereunder;
 - (c) subject to appropriate shareholder and Regulatory Approval, amend, suspend, terminate or discontinue the Plan, or revoke or alter any action taken in connection therewith, except that no general amendment or suspension of the Plan will, without the written consent of all Optionees,

alter or impair any Option previously granted under the Plan unless as a result of a change in TSXV Policies or the Company's tier classification thereunder;

- (d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do; and
- (e) may in its sole discretion amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Eligible Persons (before a particular Option is granted) subject to the other terms hereof.

3.10 Terms Requiring Disinterested Shareholder Approval. If the Common Shares are listed on the TSXV and if required by the TSXV Policies, the Company must obtain Disinterested Shareholder Approval of Options if the Options, together with any other Share Compensation Arrangement, could result at any time in:

- (a) the number of shares reserved for issuance under stock options granted to Insiders exceeding 10% of the issued Common Shares of the Company;
- (b) the grant to Insiders, within a 12-month period, of stock options exceeding 10% of the issued Common Shares of the Company; or

4. TERMS AND CONDITIONS OF OPTIONS

- (a) if the Common Shares are listed on the TSXV, then the Exercise Price for the Options granted will not be less than the minimum prevailing price permitted by the TSXV Policies;
- (b) if the Common Shares are not listed, posted and trading on any stock exchange or quoted on any quotation system, then the Exercise Price for the Options granted will be determined by the Board at the time of granting;

The Exercise Price shall be subject to adjustment in accordance with the provisions of Section 4.9.

4.2 Term of Option. The Board shall establish the Expiry Date for each Option at the time such Option is granted, subject to the following conditions:

- (a) the Option will expire upon the occurrence of any event set out in Section 4.8 and at the time period set out therein; and
- (b) the Expiry Date cannot be longer than the maximum exercise period as determined by the TSXV Policies, which is currently 10 years.

4.3 Automatic Extension of Term of Option. The Expiry Date will be automatically extended if the Expiry Date falls within a blackout period during which the Company prohibits Optionees from exercising their Options, provided that:

- (a) the blackout period has been formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information (as defined in the policies of the TSXV). For greater certainty, in the absence of the Company formally imposing a blackout period, the expiry date of any options will not be automatically extended in any circumstances;
- (b) the blackout period expires upon the general disclosure of the undisclosed Material Information and the expiry date of the affected options is extended to no later than ten (10) business days after the expiry of the blackout period; and
- (c) the automatic extension will not be permitted where the Optionee or the Company is subject to a cease trade order (or similar order under applicable securities laws) in respect of the Company's securities.

4.4 Hold Period.

- (a) If required by applicable securities laws, any Optioned Shares will be subject to a hold period expiring on the date that is four months and a day after the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THE SECURITIES REPRESENTED HEREBY MUST NOT TRADE THE SECURITIES BEFORE [INSERT THE DATE THAT IS FOUR MONTHS AND ONE DAY AFTER THE DATE OF GRANT]

- (b) If the Exercise Price of any Option granted hereunder: (i) to any Insider, or (ii) at any discount to the Market Price (as defined in TSXV Policies), all such Options and any Optioned Shares issuable upon exercise of such Options will be subject to a four month and one day hold period commencing on the Grant Date, and the certificates representing any Optioned Shares issued prior to the expiry of such hold period will bear a legend in substantially the following form:

“WITHOUT PRIOR WRITTEN APPROVAL OF THE TSX VENTURE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL [INSERT THE DATE THAT IS 4 MONTHS AND ONE DAY AFTER THE DATE OF GRANT].”

4.5 Vesting of Options.

- (a) No Option shall be exercisable until it has vested. The Board shall establish a vesting period or periods at the time each Option is granted to Eligible Persons, provided that Options granted to Eligible Persons performing Investor Relations Activities are required to vest in stages over at least 12 months with no more than one quarter of the Options vesting in any three month period.
- (b) If no vesting schedule is specified at the time of grant and the Optionee is not performing Investor Relations Activities, the Option shall vest immediately.

4.6 Non Assignable. Subject to Section 4.9(e), all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

4.7 Option Amendment.

- (a) Exercise Price. The Board may amend the Exercise Price of any Options provided that, subject to Section 4.1, and if the Common Shares are traded on the TSXV, the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of:
 - (i) the Grant Date;
 - (ii) the date the Company's shares commenced trading on the TSXV; or
 - (iii) the date of the last amendment of the Exercise Price.
- (b) Disinterested Shareholder Approval. If the Common Shares are listed on the TSXV, any proposed reduction in the exercise price of Options for Optionees that are Insiders will be subject to TSXV Policies, including Disinterested Shareholder Approval.
- (c) Term. The term of an Option cannot be extended so that the effective term of the Option exceeds ten (10) years in total, or such other period as prescribed by the TSXV Policies. If the Common Shares are traded on the TSXV, an option must be outstanding for at least one year before the Company can extend its term and the TSXV treats any extension of the length of the term of the Option as a grant of a new Option, which must comply with pricing and other requirements of this Plan.
- (d) TSXV Approval. If the Common Shares of the Company are listed on the TSXV, any proposed amendment to the terms of an Option must be approved by the TSXV prior to the exercise of such Option as amended.

4.8 Termination of Option. Unless the Board determines otherwise, the Options will terminate in the following circumstances:

- (a) Termination of Services For Cause. If the engagement of the Optionee as a Director, Employee or Consultant is terminated for cause (as determined by common law), any Option granted hereunder to such Optionee shall terminate and cease to be exercisable immediately upon the Optionee ceasing to be a Director, Employee or Consultant by reason of termination for cause.
- (b) Termination of Services Without Cause or Upon by Resignation. If the engagement of the Optionee as a Director, Employee or Consultant of the Company is terminated for any reason other than cause (as determined by common law), disability or death, or if such Director, Employee, or Consultant resigns, as the case may be, the Optionee may exercise any Option

granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 90 days after the effective date of the Optionee ceasing to be a Director, Employee or Consultant for that other reason.

- (c) Termination of Investor Relations Services. If the engagement of the Optionee as a Consultant performing Investor Relations services is terminated for any reason other than cause (as determined by common law), disability or death, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the date of termination until the date that is the earlier of (i) the Expiry Date, and (ii) the date that is 30 days after the effective date of the Optionee ceasing to be a Director, Employee or Consultant for that other reason.
- (d) Death. If the Optionee dies, the Optionee's lawful personal representatives, heirs or executors may exercise any Option granted hereunder to the Optionee to the extent such Option was exercisable and had vested on the date of death until the earlier of (i) the Expiry Date, and (ii) one year after the date of death of such Optionee.
- (e) Disability. If the Optionee ceases to be an Eligible Person, due to his Disability, or, in the case of an Optionee that is a company, the Disability of the person who provides management or consulting services to the Company or to an Affiliate of the Company, the Optionee may exercise any Option granted hereunder to the extent that such Option was exercisable and had vested on the Date of Disability until the earlier of (i) the Expiry Date, and (ii) the date that is one year after the Date of Disability.
- (f) Changes in Status of Eligible Person. If the Optionee ceases to be one type of Eligible Person but concurrently is or becomes one or more other type of Eligible Person, the Option will not terminate but will continue in full force and effect and the Optionee may exercise the Option until the earlier of (i) the Expiry Date, and (ii) the applicable date set forth in Sections 4.8(a) to 4.8(e) above where the Optionee ceases to be any type of Eligible Person. If the Optionee is an Employee, the Option will not be affected by any change of the Optionee's employment where the Optionee continues to be employed by the Company or an Affiliate of the Company.

4.9 Adjustment of the Number of Optioned Shares. The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

- (a) Following the date an Option is granted, the exercise price for and the number of Optioned Shares which are subject to an Option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out in this Section 4.9, with the intent that the rights of Optionees under their Options are, to the extent possible, preserved and maintained notwithstanding the occurrence of such events. Any dispute that arises at any time with respect to any adjustment pursuant to such provisions and rules will be conclusively determined by the Board, and any such determination will be binding on the Company, the Optionee and all other affected parties.
- (b) If there is a change in the outstanding Common Shares by reason of any share consolidation or split, reclassification or other capital reorganization, or a stock dividend, arrangement, amalgamation, merger or combination, or any other change to, event affecting, exchange of or corporate change or transaction affecting the Common Shares, the Board shall make, as it shall deem advisable and subject to the requisite approval of the relevant regulatory authorities, appropriate substitution and/or adjustment in:

- (i) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to this Plan;
 - (ii) the number and kind of shares or other securities or property reserved or to be allotted for issuance pursuant to any outstanding unexercised Options, and in the exercise price for such shares or other securities or property; and
 - (iii) the vesting of any Options, including the accelerated vesting thereof on conditions the Board deems advisable, and if the Company undertakes an arrangement or is amalgamated, merged or combined with another corporation, the Board shall make such provision for the protection of the rights of Optionees as it shall deem advisable.
- (c) If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of the Company or securities of another Company or entity, in a manner other than as specified in Section 4.9(b), then the Board, in its sole discretion, may make such adjustment to the securities to be issued pursuant to any exercise of the Option and the exercise price to be paid for each such security following such event as the Board in its sole and absolute discretion determines to be equitable to give effect to the principle described in Section 4.9(a), and such adjustments shall be effective and binding upon the Company and the Optionee for all purposes.
- (d) No adjustment provided in this Section 4.9 shall require the Company to issue a fractional share and the total adjustment with respect to each Option shall be limited accordingly.
- (e) The grant or existence of an Option shall not in any way limit or restrict the right or power of the Company to effect adjustments, reclassifications, reorganizations, arrangements or changes of its capital or business structure, or to amalgamate, merge, consolidate, dissolve or liquidate, or to sell or transfer all or any part of its business or assets.

5. COMMITMENT AND EXERCISE PROCEDURES

- 5.1 Option Agreement. Upon grant of an Option hereunder, an authorized director or officer of the Company will deliver to the Optionee an Option Agreement detailing the terms of such Options and upon such delivery the Optionee will be subject to the Plan and have the right to purchase the Optioned Shares at the Exercise Price set out therein subject to the terms and conditions hereof.
- 5.2 Manner of Exercise. An Optionee who wishes to exercise his Option, in its entirety or any portion thereof, may do so by delivering:
- (a) a Notice of Exercise to the Company specifying the number of Optioned Shares being acquired pursuant to the Option; and
 - (b) cash, a certified cheque or a bank draft payable to the Company for the aggregate Exercise Price for the Optioned Shares being acquired.
- 5.3 Subsequent Exercises. If an Optionee exercises only a portion of the total number of his Options, then the Optionee may, from time to time, subsequently exercise all or part of the remaining Options until the Expiry Date.
- 5.4 Delivery of Certificate and Hold Periods. As soon as practicable after receipt of the Notice of Exercise described in Section 5.2 and payment in full for the Optioned Shares being received by the Company, the Company will or will direct its transfer agent to issue a certificate to the Optionee for the appropriate

number of Optioned Shares. Such certificate issued will bear a legend stipulating any resale restrictions required under applicable securities laws and TSXV Policies.

5.5 Withholding. The Company may withhold from any amount payable to an Optionee, either under this Plan or otherwise, such amount as it reasonably believes is necessary to enable the Company to comply with the applicable requirements of any federal, provincial, local or foreign law, or any administrative policy of any applicable tax authority, relating to the withholding of tax or any other required deductions with respect to options (“**Withholding Obligations**”). The Company may also satisfy any liability for any such Withholding Obligations, on such terms and conditions as the Company may determine in its discretion, by:

- (a) requiring an Optionee, as a condition to the exercise of any Options, to make such arrangements as the Company may require so that the Company can satisfy such Withholding Obligations including, without limitation, requiring the Optionee to remit to the Company in advance, or reimburse the Company for, any such Withholding Obligations; or
- (b) selling on the Optionee’s behalf, or requiring the Optionee to sell, any Optioned Shares acquired by the Optionee under the Plan, or retaining any amount which would otherwise be payable to the Optionee in connection with any such sale.

6. **AMENDMENTS**

6.1 Amendment of the Plan. The Board reserves the right, in its absolute discretion, to at any time amend, modify or terminate the Plan with respect to all Common Shares in respect of Options which have not yet been granted hereunder. Any amendment to any provision of the Plan will be subject to shareholder approval, if applicable, and any necessary Regulatory Approvals. If this Plan is suspended or terminated, the provisions of this Plan and any administrative guidelines, rules and regulations relating to this Plan shall continue in effect for the duration of such time as any Option remains outstanding.

6.2 Amendment of Outstanding Options. The Board may amend any Option with the consent of the affected Optionee and the TSXV, if required, including any shareholder approval required by the TSXV. For greater certainty, Disinterested Shareholder Approval is required by the TSXV for any reduction in the exercise price of an Option if the Participant is an Insider at the time of the proposed amendment.

6.3 Amendment Subject to Approval. If the amendment of an Option requires shareholder or Regulatory Approval, such amendment may be made prior to such approvals being given, but no such amended Options may be exercised unless and until such approvals are given.

7. **GENERAL**

7.1 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement. If the Optionee retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Optioned Shares, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

7.2 Employment and Services. Nothing contained in the Plan will confer upon or imply in favour of any Optionee any right with respect to office, employment or provision of services with the Company, or interfere in any way with the right of the Company to lawfully terminate the Optionee’s office, employment or service at any time pursuant to the arrangements pertaining to same. Participation in the Plan by an Optionee is voluntary.

- 7.3 No Rights as Shareholder. Nothing contained in this Plan nor in any Option granted thereunder shall be deemed to give any Optionee any interest or title in or to any Common Shares of the Company or any rights as a shareholder of the Company or any other legal or equitable right against the Company whatsoever other than as set forth in this Plan and pursuant to the exercise of any Option in accordance with the provisions of the Plan and the Option Agreement.
- 7.4 No Representation or Warranty. The Company makes no representation or warranty as to the future market value of Optioned Shares issued in accordance with the provisions of the Plan or to the effect of the *Income Tax Act* (Canada) or any other taxing statute governing the Options or the Optioned Shares issuable thereunder or the tax consequences to a Optionee. Compliance with applicable securities laws as to the disclosure and resale obligations of each Optionee is the responsibility of such Optionee and not the Company.
- 7.5 Other Arrangements. Nothing contained herein shall prevent the Board from adopting other or additional compensation arrangements, subject to any required approval.
- 7.6 No Fettering of Discretion. The awarding of Options under this Plan is a matter to be determined solely in the discretion of the Board.
