NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED INTERIM FINANCIAL STATEMENTS

For the three months ended August 31, 2021 and 2020

(All dollar amounts expressed in Canadian dollars)

1. NATURE OF OPERATIONS AND GOING CONCERN

Nature of operations

Element Lifestyle Retirement Inc. (the “Company” or “ELM”) (formerly “Sonoma Resources Inc.” “Sonoma”) was incorporated under the British Columbia Company Act on May 31, 2007. The Company completed a Share Exchange Agreement with the shareholders of Element Lifestyle Retirement Inc. (“Element”), a private company which was incorporated under the Business Corporations Act (British Columbia) on June 12, 2013. Pursuant to which the Element shareholders transferred all of their common shares and preferred shares in exchange for common shares of Sonoma on a 1:1 ratio. The transaction resulted in the former Element shareholders owning approximately 60% of the issued and outstanding common shares of the resulting issuer, and therefore constituted a Reverse Takeover (the “RTO”) under the policies of the TSXV Exchange. The ongoing entity has adopted the name Element Lifestyle Retirement Inc. on December 2, 2015 and resumed trading of the common shares of the Company on the TSXV, under the new name and symbol (ELM) on December 4, 2015. The former Element Lifestyle Retirement Inc. has been identified for accounting purposes as the acquirer, now a wholly-owned subsidiary of the Company, has changed its name to Element Lifestyle Management Inc. and accordingly the entity is considered to be a continuation of Element Lifestyle Retirement Inc.

The Company provides development management services for senior retirement communities. The head office and principal address of the Company is located at 1147 Homer Street, Vancouver, BC, V6B 2Y1.

These unaudited condensed consolidated interim financial statements include the accounts of the Company and its wholly-owned subsidiaries, Element Lifestyle Management Inc., Element Lifestyle Retirement (Hong Kong) Ltd. , Element Lifestyle (Vic Harbour West) Inc., and Aquara GP Ltd.

These unaudited condensed consolidated interim financial statements have been prepared on the basis of accounting principles applicable to a going concern which assumes that the Company will continue in operation for the foreseeable future and be able to realize assets and satisfy liabilities in the normal course of business. If the going concern assumption was not appropriate for these unaudited condensed consolidated interim financial statements then adjustments would be necessary in the carrying value of assets and liabilities, the reported expenses and the statements of financial position classifications used.

2. STATEMENT OF COMPLIANCE

These unaudited condensed consolidated interim financial statements have been prepared in accordance with International Accounting Standard (“IAS”) 34 – Interim Financial Reporting under International Financial Reporting Standards (“IFRS”) issued by the International Accounting Standards Board (“IASB”). These condensed interim

consolidated financial statements have been prepared on a basis consistent with the accounting policies disclosed in the May 31, 2021 audited annual consolidated financial statements. These condensed consolidated interim financial statements do not contain all of the information required for full annual financial statements. Accordingly, these unaudited condensed consolidated interim financial statements should be read in conjunction with the Company's May 31, 2021, annual consolidated financial statements, which were prepared in accordance with IFRS as issued by the IASB.

The unaudited condensed consolidated interim financial statements were approved by the Board of Directors for issue October 26, 2021.

3. BASIS OF PRESENTATION

The unaudited condensed consolidated interim financial statements have been prepared under the historical cost basis, except for certain financial instruments, which are measured at fair value. In addition, these unaudited condensed consolidated interim financial statements have been prepared using the accrual basis of accounting, except for cash flow information.

Basis of consolidation

These unaudited condensed consolidated interim financial statements incorporate the financial statements of the Company and the entities controlled by the Company, which consist of:

- Element Lifestyle Management Inc., which was incorporated in British Columbia – owned 100% by the Company.
- Element Lifestyle Retirement (Hong Kong) Ltd., which was incorporated in Hong Kong – owned 100% by the Company.
- Element Lifestyle (Vic Harbour West) Inc., which was incorporated in British Columbia – owned 100% by the Company.
- Aquara GP Ltd., which was incorporated in British Columbia – owned 100% by the Company.

Control exists when the Company has the power, directly or indirectly, to govern the financial and operating policies of an entity so as to obtain benefits from its activities. The financial statements of subsidiaries are included in the unaudited condensed consolidated interim financial statements from the date that control commences until the date that control ceases. All significant intercompany transactions and balances have been eliminated.

NOTES TO THE UNAUDITED CONDENSED CONSOLIDATED INTERIM FINANCIAL
STATEMENTS
For the three months ended August 31, 2021 and 2020
(All dollar amounts expressed in Canadian dollars)

The Company's financial instruments are exposed to risks that are summarized below:

Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company's concentrations of credit risks consist principally of cash, accounts receivable and other receivables and notes receivable. To minimize the credit risk on cash, the Company places the instrument with a high credit quality financial institution. The Company assesses collectability of specific accounts receivable and note receivable and also, assesses the requirement for a provision based on historical experience.

Liquidity Risk

Liquidity risk is the risk the Company may encounter difficulties in meeting its obligations associated with financial liabilities and commitments. The Company manages liquidity risk through the management of its capital structure. The Company's approach to managing liquidity is to ensure that it will have sufficient liquidity to settle obligations and liabilities when due.

Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk and other price risk.

Currency risk

Currency risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rates. For the year ended May 31, 2020, the Company's revenues and expenses were recorded in Canadian dollars. Management has determined that the Company is not exposed to significant currency risk because most transactions are in Canadian dollars.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is not exposed to significant interest rate risk as the Company's mortgage loan and debentures are all at fixed interest rates.

Other price risk

Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are

caused by factors specific to the individual financial instrument or its issuer or by factors affecting all similar financial instruments traded in the market. The Company is not exposed to significant other price risk as the Company earns contractually agreed fixed management fees and consulting fees that do not fluctuate based on market prices.

15. CAPITAL MANAGEMENT

The Company defines its capital as items included in shareholders' equity and debt, net of cash.

The Company's objectives when managing capital are to: (i) maintain a capital structure that provides financing options to the Company for accessing capital, on commercially reasonable terms, without exceeding its debt capacity, or taking on undue risks; (ii) maintain financial flexibility in order to preserve its ability to meet financial obligations; and (iii) deploy capital to provide an appropriate investment return to its shareholders.

The Company's financial strategy is designed to maintain a flexible capital structure consistent with the objectives stated above and to respond to changes in economic conditions. In order to maintain or adjust its capital structure, the Company has issued additional shares. The Company's financing and refinancing decisions are made on a specific transaction basis and depend on such things as the Company's needs and market and economic conditions at the time of the transaction.

The Company manages capital through its operating and financial budgeting and forecasting processes on a regular basis. The Company reviews its working capital and forecasts its future cash flows, based on actual and forecasted operating results and other investing and financing activities. This information along with possible alternatives are reviewed by management and the Board of Directors of the Company on a regular basis to ensure the best mix of capital resources meet the Company's needs. The Company makes strategic and financial adjustments according to market conditions in an effort to meet its objectives given the Company's operating and financial performance and the current outlook for the business and for the industry in general.

16. SUBSEQUENT EVENT
